Genl: SECRETARY TO THE GOVT. OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
BANGALORE.

(Through the Deputy Commissioner, Chitaldrug District).

Sir,

GENERAL SECTION 1 AUG. No. 1 Apm 7/8

Adverting to letter No. 384 dated 4th May 1933 from the Director of Health in Mysore re 'forecast of malaria in 1933' (copy enclosed for ready reference), suggesting in addition to anti-malarial measures, quinine being made freely available in all dispensaries and villages in the areas under the charge of the District Board I have the honor to state as follows:-

Reports have been received from the Taluks of Jagalur, Holalkere, Hosadurga and Hiriyur that malaria is prevailing in a large number of villages in these taluks. It is in the rural parts that the disease is prevalent and special duty Sub Asst. Surgeons have been working in these areas under the advise of the Senior Surgeon.

Under sec. 20 (18) of the Village Panchayats' Regulation it is an obligatory duty of the village panchayat to look to the improvement of the health of its inhabitants. But most of these panchayats are not self-supporting, as yet, being still in an infant stage as per reports received.

The District Board have provided a sum of Rs 1,000 under Epidemic charges in their budget for 1933-34. But it is too early to think of any savings under this head, now that we are in the early part of July.

Under Sec. 45 (f) of the District Boards' Regulation, the District Board shall have to adopt necessary measures, for the promotion of the public health effecting several panchayats in so far as their funds permit.

Proceedings of the meeting of the District Board and Local Education Authority, Chitaldrug held on 10th July 1933.

Present:-G. Channappa, Esq., B.A., LL.B.,
President, District Board & Local Education Authority.

Subject No. 8

Letter No. 384 dated 4th May 1933 from the Director of Health in Mysore, intimating to adopt the anti-malarial measures and to make available quinine free in the taluks of Chitaldrug, Holalkere, Hosadurga and Molakalmuru in the Chitaldrug District.

Resolution:-Resolved that in view of the prevalence of malaria in all the taluks in more or less epidemic form, a sum of Rs 2,500 be set apart to purchase quinine for distribution in all the taluks and the Government be requested to meet half of this amount.

President. 1/8

Bd/ G. Channap
President.

No. 384 dated 4th May 1933 from the Direcr of Health in Mysore, Bangalore to the President, District Board, Chitaldrug.

Forecast of malaria in 1933.

I have the honor to state that the Mysore State department of health has attempted to construct a formula by which to compute the spleen rates from the dispensary figures for malaria. Although the number of cases treated for malaria in the local fund dispensaries is a fair index of the malariousness of the localities concerned it is not so valid a measure of malaria as the spleen rate which takes account of various other factors such as rain fall, death rates and so on. As computed from this formula the spleen rates of 1932 are very much higher thar those of 1931 in the following places and it is likely that in these areas malaria may appear in an epidemic form in the coming months culminating in the next malaria season.

List of places where epidemics of malaria may break out in the next malaria season.

Bangalore District:-Hoskote, Kankanhalli, Nelamangala and Tymagondlu.

Mysore District:-Malavalli and Melkote.

Hassan District:-Hassan and Saklespur.

Kadur District:-Tarikere.

Shimoga District:-Shikaripur, Shiralkoppa & Sorab.

Chitaldrug District:-Chitaldrug, Holalkere, Hosadurga & Molakalmuru.

Tumkur District:-Madhugiri.

Kolar District:-Kolar Bowringpet and Mulbagal.

The computed spleen rates indicate also that in the other areas malaria may show a slight increase or even a decrease. It being understood that anti.malarial measures will be continued in all malanad places a selected list of places is given above in order to emphasize the fact that special measures may be usefully adopted to bring the disease under control.

I request that quinine will be made freely available in all dispensaries and villages in the areas under your charge

Dear Sir,

Re: purchase of quinine.

I write to invite your kind attention to the marginally noted communications on the above subject. A large number of villages have been simultaneously affected with malaria and the free distribution of quinine has become an absolute necessity in the interests of public Health of the District.

1. Letter No. C 1131/32-33 dated 2nd August 1933 requesting sanction of Govt. to the resolution of the District Board in the matter.
2. Letter No. C. 1131/32-33 dated 31st Aug. 1933 re: subsequent reminder thereon.

Will you kindly obtain early orders of Government sanctioning the proposal of the District Board.

A line in reply is solicited.

Yours sincerely,

H. V. Ramaswami, Esq., M.A., B.L.,
General Secretary to Government
of Mysore, Bangalore.

GENERAL SECRETARIAT 15 DEC. 1933 No. S

(Through the Deputy Commissioner, Chitaldroog District.)

Sir,

With reference to your letter No. L3 234/LB 28-33-16 dated 10-11-33 permitting me to utilise Rs 1,250 being the quota of the District Board for the purchase of quinine pills pending sanction of Government, I have the honor to state that the quota of the Board is nearly spent (i.e. about Rs 900 worth of quinine has been purchased) and only a small sum of Rs 350 is available for this purpose. It has been found that there is still a great necessity for the purchase of quinine for free distribution in the rural parts as the malaria is not yet subsided.

When the matter came up before the District Board at their meeting held on 25th November 1933, they have resolved again to request Government to sanction their quota of Rs 1,250 as resolved in the original resolution. A copy of the resolution is also herewith enclosed for kind reference.

As the malaria is still prevailing in epidemic form. I request that the Government should come forward to help the Board by contributing a sum of Rs 1,250 for the purchase of quinine.

I therefore request you to kindly obtain the orders of - - Government on the resolution of the Board and communicate the same to me early for further necessary action.

I have the honor to be,
Sir,
Your most obedient servant,
